Memorandum of Record

August 31, 2017

From: IEEE COM 19 the DC Communication Chapter

Subject: Travel to Globecom 2017, Singapore

1. Regarding the Agenda for the IEEE AdCom Meeting on Thursday August 31, the following members from the above IEEE sections : Kiki Ikossi, Tom Starai, Barry Douglass, Rob Rencenkz, Doug Holly, Paul Cotae, Roger Cutitta, Charles Dietleng, Michael Olex, Benaud Menachery met to discuss the pct 4: Planning future flagship conferences GC and ICC in the DC Metro Area.

2. Dr. Paul Cotae proposed the IEEE ICC to be held in Washington DC in 2023 or 2024 depending on the IEEE GIMS/GITC approval. He mentioned about logistics, volunteers, venue, organizing committee, MOU of the three sections above and, we should capitalize on the success of the GC 2016 held in Washington DC. He is willing to take the lead in organizing the ICC in Washington DC and to travel to Globecom 2017 in Singapore to present a proposal to GIMS/GITC meeting. Members agreed with the above issues and with the amount of $500 to be paid from IEEE DC Section to support his travel.

3. The purpose of his trip is to submit a proposal on behalf for the BALT, NOVA, and WASH DC COMSOC Chapters to host the 2024 ICC Conference. The proposal that he would carry to the Conference would be the collection of inputs by designated GIMS/GITC Executive Committee members. He will need to secure travel arrangements for the December Conference quickly

4. Mr. Doug Holly asked Paul Cotae to outline the travel expenses to future GIMS/GITC meetings until we will have won the bid. Dr. Paul Cotae presented the following plan which members agreed.

	Travel to	Cost	Support	Payment due	Observations

2. Agenda of the Meeting.

Dr. PAUL COTAE's NOTES:

Dr. Cotae did npot receive from NOVA section any travel funds for the ICC 2024 from the NOVA section, for his travel to Singapore (G17). The sum of $3000.00 from NOVA section was reimbursed to Dr. Bijan Jabbari which, unfortunately, did not attend the GIMS meeting.

Out of the $3700.00 representing the travel to G17, Dr. Cotae was reimbursed only $1700.00 from DC Section, the rest of $2000.00 was not covered yet.

There is also a need to cover expenses to G18 - the estimated amount is $3000.00 and is expectrd to be covered by all three sections, and therefore the NOVA Section's contribution would be $1000.00.

Below please find the old expenses for GC16 (including GC10)
